

DHRUV RAVAL

React Js | Shopify liquide | Frontend | Javascript

Ph: 8780945877 | Email: ravaldruv70@gmail.com | LinkedIn: <https://www.linkedin.com/in/dhruv-raval-034b161b6/>

Front-End / Shopify Developer with 3.5 years of experience in building Shopify stores, React.js applications, and responsive web solutions. Skilled in Liquid, Shopify APIs, and modern front-end technologies, with expertise in theme customization, headless commerce, and delivering scalable, user-friendly e-commerce solutions.

Professional Experience

React Frontend Developer

SHV 360 (SHVDevX), (Mumbai) | Aug 2023 - Feb 2025

- Developed and customized Shopify themes using Liquid, HTML, CSS, and JavaScript (React.js).
- Built responsive and user-friendly UI components aligned with brand guidelines.
- Integrated Shopify APIs and third-party apps to enhance store functionality (cart, checkout, and payment features).
- Optimized website performance, reducing page load time by 30% through efficient code and image optimization.
- Collaborated with designers and backend teams to ensure smooth data flow and API integration.
- Implemented version control using Git and continuous deployment through Azure DevOps/Jenkins.
- Conducted thorough testing and debugging across browsers and devices to ensure consistent user experience.
- Contributed to building a reusable component library to improve development speed and maintainability.

Software Engineer

Appmixo LLC, (Surat) | Dec 2020 - June 2023

- Developed and maintained dynamic, responsive web applications using React.js, JavaScript (ES6), HTML5, and CSS3.
- Built reusable React components and implemented state management using Redux and Context API.
- Integrated RESTful APIs and handled asynchronous calls using Axios and Fetch.
- Optimized application performance by 30% through efficient rendering, code splitting, and lazy loading.
- Collaborated with UI/UX designers and backend teams to deliver pixel-perfect, user-friendly interfaces.
- Implemented version control using Git and set up CI/CD pipelines with Jenkins/Azure DevOps for smooth deployment.
- Performed thorough debugging and testing using Jest, React Testing Library, and Chrome DevTools.
- Followed Agile methodology, participating in sprint planning, code reviews, and daily stand-ups to ensure on-time delivery.
